"Also a prophecy has arrived, 'Child of lighting, beware the earth, the giants revenge the 7 shall birth, the forge and dove shall break the cage and'. The rest is blotted out. To answer the question and solve the robbery you must go to the Isles of 5th grade." Mr. King Bruff said.

That's what happened on 8-23-15, at least I've heard, I entered Brufftopia on August 28th of the same year. Little do the migrating Brufftopians know, I am the book thief and my name is ~~XXXXXXXXXX~~. Oh gosh, my ink leaked. I hear gaurds coming I must leave, go to the fantasy temple.
