

Maddi Chu

After queen kala spoke to Alex.
Everything went bananas. Then Alex
wanted it to be a republic.

All I wanted was to be a queen! But my
I never! All I am is a server!

So after the 'mumball' craziness I

decided to be a mumballer. I used
to be before I got taken to be

a server! So I trained. Soon
my first game came. The first rules

were easy as pie. It became harder.
Say the states alphabetical? What

was Judge Alice thinking! Yes, Alice is
a (Judge) But I trained and knew.

Christian out! Only me, Matt, Nick, Collin
and Naylah. Nick got hit in the

head with a mumball. "Stop! I don't
wanna ruin my shoes!"

Minutes later only me and Naylah.
Then she throws the ball over my

head and it hit Alice. Naylah
yours out! I won!
